Try to keep the "spread" of your items on the tail end and awning side of RV/Camping Unit. Ask the office for more details about specific site boundaries.

Section II - Financial Obligations & Policies

- Early Termination:** Akron/Canton Jellystone Park™ does not issue refunds for early termination of your Seasonal Agreement. Management must be notified before removal if you wish to end this agreement early.
- Electric Meter and site Charge Billing:** Electric is charged at a rate of \$0.20 per KW/HR. Electric Meters are read at the beginning of each month. Payments are processed automatically by the office from the credit card on file. This charge will usually occur the first Friday of each month, however, it may occur on the second Friday depending on when meters are read. An invoice will be emailed out prior to this automatic charge. Any site/utility charges must be paid in full every billing period. Failure to pay balances in full each month will result in suspension of site charges for the rest of the season, a \$25.00 / week late fee and a forfeit of site for the 2026 season. The park reserves the right to end any seasonal agreement early WITHOUT REFUND if an unreasonably high balance increases without intent or ability to pay in full on time. End of season billings will be emailed by October 26th and due by October 31st. Balances may not be carried over into the 2025 season.
- Charge to Site:** to site is a payment possibility available at all point-of-sale locations within the park. Campers may provide their site number and last name at check out for quick and easy payment. Site charges are solely meant to be a convenience, not to be used as a loan or line of credit that is paid down as you are able. It is in your best interest to never charge something to your site that wouldn't clear the card on file at time of purchase. While we traditionally charge cards weekly or monthly for electric bills, **the card on file may be charged**

for any site charges added at any time without prior notice. Request to make installments on site balance or delay payment on monthly bill will only be accommodated for extenuation circumstances and will be subject to a late fee no less than \$35.00/ Week. A repeated inability to abide by our site charge policy will revoke any opportunity to renew your site at our park for future seasons.

Campers are responsible for providing their own lawn care equipment; riding mowers/tractors cannot be used. Weekly mowing is available for \$25.00/week. Sign up at the office for this service. Sites that are not mowed once per week are subject to park staff mowing them and your account will be charged \$25.00 for each cut.
